To Santa Rosa High School Students

Whom do you love among your schoolmates? Not those who throw stones at innocent animals; not those who break and destroy fences, trees, and windows; not those who wish to quarrel and fight; but you do love and respect those who are kind, gentle, and unselfish - the peacemakers.

Weakling cowards boast, swagger, and brag; the brave ones, the good ones, are gentle and kind.

Cultivate kind, gentle, loving thoughts towards every person and animal; and even plants, stars, oceans, rivers and hills. You will find yourself growing more happy each day, and with happiness comes health and everything you want.

Luther Burbank

History of Santa Rosa High School

Santa Rosa High School students have a strong pride in their school which they manifest in many ways. One of the ways in which students showed their pride was by proclaiming the 1965-66 school year "The Year of the Panther," a fitting tribute in the ninetieth year of Santa Rosa's existence. Since the students began the year with such a strong, patriotic statement, it seems proper to end the year with a summation of the changes, achievements, and hardships that are a part of Santa Rosa High School's glorious past.

Santa Rosa High School had a humble beginning in 1878, nine decades ago. At the time students attended classes in three rooms on the upper floor of the Fremont Grammar School Building on Fourth Street, a building no longer in existence. One feature this early high school that would appeal to many students was that the course of instruction lasted for only two years. Under this system, the first class of ten members graduated in 1878.

However, this two-year high school program was short lived. In 1880 it was decided to extend the course of instruction to three years. This change was followed in 1881 by the closing of the school because of a lack of necessary funds. But the citizens of Santa Rosa were not content without a high school. So in 1882 Santa Rosa High School was reorganized in the same building, and classes began in earnest. Since 1883, a class has graduated every year.

The school continued without major changes until 1895, a momentous year in the lives of Santa Rosans. In September, students attended classes in a new building, located on Humboldt Street. At that time the building, which was to serve for twenty-five years, was the model school in the state of California. Its study hall had a seating capacity of two hundred fifty students and was the first high school building to contain completely-equipped science laboratories. As more subjects were added to the curriculum and as attendance grew, it became apparent that more space would be necessary.

To meet this need an annex was built just north of the high school building. The annex provided adequate space for the manual training and music departments and the gymnasium, and also served as a town hall where the young people of the community could enjoy social events. Several years later the annex served the seventh and eighth grade students; today the annex is the Fremont Elementary School.

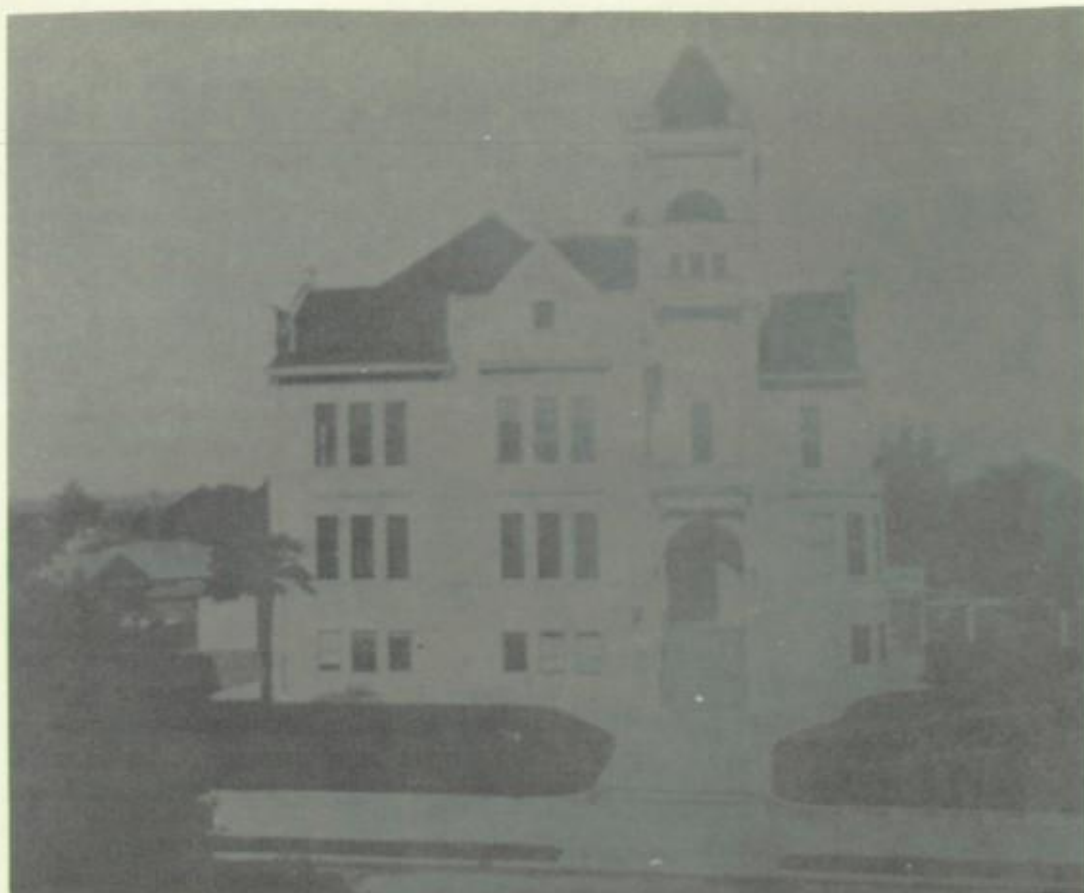

In 1921 the already overcrowded Humboldt Street building was destroyed by fire. Fortunately the annex survived the fire, and for the next four years the annex, along with the Congregational Church on E Street, the Masonic Temple on Fourth Street, and the Mailer Warehouse on Fourth Street served as class rooms for Santa Rosa students. Despite the handicap of attending classes in widely separated buildings, the students continued their high academic excellence and enjoyed many extra-curricular activities during this period.

In the fall of 1924 Santa Rosa's more than 750 students were to be rewarded with a new building on Mendocino Avenue. This two-story, red-brick building, still in use today, included forty classrooms and a cafeteria. In the spring of 1925 the large auditorium was completed. The school also included an outdoor stage which was used for assemblages, such as the annual rally before the Santa Rosa-Analy football game. Although this was a model school, improvements were to follow shortly after completion of the main building.

In 1927, in view of the fact that Santa Rosa's student body had grown to 1030, construction began anew. This was the year that work began on a shop building and football field. The shop building, east of the present shop building, provided facilities for auto, metal, wood, and farm shop instruction, and housed the band and orchestra. At the time of its construction, Nevers Football Field was considered one of the best in Northern California. A tile draining system was installed to keep the field free of puddles and money was raised by the community to turf the field and to set up bleachers. A baseball diamond and tennis courts were also constructed near the shops.

To replace the old annex gym, a new gymnasium, an exact replica of the auditorium, was built in 1929, bleachers lined the east and west walls, with a seating capacity of one thousand.

In 1936 the Sarah Pryor Music Building was added to the school campus, giving the band, orchestra, dance, and chorus classes a permanent place at the school.

The next addition southwest of the shop building was Burke Hall, which at the time of its construction in 1940 housed the agriculture classes, some shops, and the library. This well-equipped building still receives maximum use today.

For the next sixteen years the school changed very little in physical appearance. But in 1956 four bungalows were erected south of the main building, providing six additional classrooms.

In 1952 the Board of Education became aware that within a few years Santa Rosa High School would become overcrowded. Plans for a new high school were made and in 1957 Montgomery High School was built. The new high school relieved Santa Rosa's overcrowded condition by reducing enrollment from over 1500 to about 1100 students.

During the 1962-1963 school year Santa Rosa was made earthquake-proof and fire-proof in accordance with the 1933 Field Act which provided that California schools could receive state aid only if they met certain safety standards. Santa Rosa, although basically well built, did not meet the statewide standards. Experts said the school's vertical stability was strong enough to withstand an earthquake, but the lateral stability was weak. Steel braces and a concrete wall, the length and height of the main building were added to strengthen the lateral stability. Also added was a sprinkling system that goes on automatically when the temperature reaches a certain degree to insure safety from fire, and new lighting and heating systems. Room 300, the journalism room above the drama room, was closed off while the old nurses's office, which was reached by a catwalk from the gym to the main building, was eliminated as a fire hazard. The old shop building, considered unsafe, was torn down while new tennis courts, new basketball courts, and an enlarged student parking lot were added to the campus. The bleachers were removed from the gym which provided an enlarged playing area for the girls' physical education classes. Two new buildings were also added, a science wing, complete with modern laboratory facilities, west of the main building which also housed a modern, spacious library and a new boys' gym adjacent to the Ridgway Avenue Swim Center. Classrooms were also completely remodeled. Only one major detail was left untouched, the school's familiar facade was not altered. Once again it was shown that Santa Rosa High School was able to blend the old and the new.

Although campus development tells a great deal about the school, to get a true impression of how the school has changed over the years one must know something about the students who attended Santa Rosa High School.

Perhaps student government is a good place to start since it is through this medium that the students make their needs known.

Student government began soon after the school was organized, but not in the same form as today. At that time an organization called the High School Congress was the governing body. It was run on the same principle as the Congress of the United States. All students belonged to the house, while a smaller group were members of the Senate. In a short time the Senate was discontinued as impractical. The principal was Speaker of the House and meetings were run according to parliamentary procedure. Bills were introduced, referred to committees, and opened to debate. This system led to the development of the Debating Society which flourished for many years.

In 1908 the Associated Student Body of Santa Rosa High School was formed. As in all forms of democratic government, officers were elected to see that the government ran effectively. At Santa Rosa this group was known then and is known

today as the Student Governing Board. Originally, it was composed of twenty-six members. Today there are 18, headed by the Student Body President. Another governing body, the Student Activities Council, which is made up of one representative from each club, operates under the control of the Governing Board, and gives more students a chance to participate actively in school government. When the Associated Student Body was organized, a constitution was drawn up and, although revised numerous times, it is the basis for student government to this day.

Closely related to school government are the various publications that have served as a diary of Santa Rosa High School's past. Most of the information presented in this article has come from the old yearbooks and newspapers. The first newspaper, *The Porcupine*, was published eighteen years after Santa Rosa opened her doors to students. It was owned by individual students and was published monthly. *The Porcupine* flourished until 1921 when it was disbanded because of competitive school papers.

In 1908, when the Associated Student Body was formed, it was deemed advisable for the Student Body to take over *The Porcupine* as the official school paper. However, when the Student Body attempted to buy the paper, the two parties were unable to come to terms. As a result, the Student Body began its own monthly publication, the *Echo*.

The *Echo* has endured many changes since its creation. It was first a monthly magazine which included news, stories, poems, jokes, and pictures. Next it became a semi-annual. Finally it became an annual as it is today.

Several papers owned by individual students appeared from time to time. One such paper was the *Santa Rosa High School Weekly* which began publication in 1914 and continued for about three years. Another such publication was the *Tiger*, a four page paper which was published in 1920.

After the 1921 fire that destroyed the high school building, *The Santa Rosan*, our present newspaper, began operation. It began as a four column paper and has been enlarged to five columns to provide wider coverage for students.

Santa Rosa High School's publications have been many and varied. They each had their unique qualities, but they all had one purpose, that of informing the students of Santa Rosa High School of what was happening in their school.

In reviewing the progress that Santa Rosa High School has made over the years it must be noted that many traditions have developed. Perhaps the most important tradition are the school's nickname and mascot. The name "Panthers" was given to the student body of Santa Rosa High School in 1925 when the present school building was constructed. The mascot, Pandey, was also introduced at that time. One tradition which is treasured by the seniors is the Senior Steps. This privilege allows only seniors to walk on the steps in front of the school. Other traditions included the annual Car Caravan before the Santa Rosa-Montgomery football game, the competition rallies during basketball season, the senior and junior picnics at the end of the year, the Christmas program, the annual drama production, and the spring music programs. But greater than these is the traditional pride that Santa Rosa High School students have in their school.

Expansion and progress seem to be the key words to describe Santa Rosa High School's history. Santa Rosa has grown from three rooms to a school with 50 classrooms plus two gyms, an auditorium, a library, and a cafeteria. Santa Rosa's first graduating class had ten members while the class of 1966 has over five hundred members. The school's publications have developed from a monthly newspaper, *The Porcupine*, to the present bi-monthly newspaper, the *Santa Rosan* and an annual, the *Echo*. Santa Rosa's traditions give the school a unique quality, which students remember many years after graduation. Yes, Santa Rosa has been and is a superior school. It is, therefore, no surprise that the students of Santa Rosa High are proud to say that they are a part of Santa Rosa's history.

THE OTHER ROOM

NO, not cold beneath the grasses,
Not close-walled within the tomb;
Rather, in my father's mansion,
Living in another room.

Living, like the one who loves me,
Like yon child with cheeks abloom,
Out of sight, at desk or school-book,
Busy in another room.

Nearer than the youth whom fortune
Beckons where the strange lands loom;
Just behind the hanging curtain,
Serving in another room.

Shall I doubt my Father's mercy?
Shall I think as death as doom,
Or the stepping o'er the threshold
To a bigger, brighter room?

Shall I blame my Father's wisdom,
Shall I sit enswathed in gloom,
When I know my love is happy,
Waiting in the other room?

"TIME TO REMINISCE"

Oh World, make room — we're Seniors
And we're ready to come out
To make our mark if that we can
No matter who may doubt.

For we are near a line we'll cross
The day we graduate
That now divides us from adults
To cross it is our fate.

But before that line is crossed
It's time to reminisce
To look back on our high school years
And all those things we'll miss:

In '63 we came and joined
The mighty Panther's school
Rebuilt it was and lost we were
For we'd only known the pool.

But we soon showed the older kids
What a Sophomore Class we made
With spirit high and talent ripe
We really made the grade.

As Juniors we were in between
With one more year to go
Again our spirit was the best
Our rally this did show.

To say good-by to the Senior Class
We saved our dimes and nickels
To organize the greatest Prom
We even peddled pickles

And now we're mighty Seniors
And the Prom will celebrate
The greatest class Santa Rosa High
Will ever graduate.

We managed to survive
An epidemic of the flu
And now can look on three years work —
And three years fun, it's true.

But we must go and cross the line
And then look back to tell
To the greatest high school in the land
From the greatest class — "Farewell!"

THE GRAND AND THE GLORIOUS
(or The Year of the Junior)

By Elaine Hartman

Never in the ninety years of our school
Have a greater, more glorious Junior class ruled.
And in this past year our school really grew
And just as fast this year also flew.
Juniors, the middlemen of marvelous merit,
Played a foremost role in the outstanding success of it.

While the Sophomores looked forward to the coming years
And the Seniors backward, perhaps with some tears
Juniors were spreading their sparkling spirit
Throughout the whole school and everywhere near it.
A Friday night game and then to the "Spot"
Are a few of the things fun-loving Juniors did a lot.

On the serious side Juniors excelled
When faced with a chore no one rebelled
But plunged into work with awesome ardor
The greater the challenge the more they strove harder.
The result was fantastic, flawless, and funny
A paragon of merit no description can fit
A jubilous orgy - the Junior skit.

The conclusion of one second year must now follow
The thought of which turns our spirits quite mellow
For after a couple of years of steadfast devotion
The thought of leaving wakes quite an emotion.
But when we return as Seniors next year
We'll work even harder as graduation draws near.

NEW COACH HEADS PANTHER SQUAD

The Santa Rosa High School Panthers, led by their new coach, Ed Sowash, finished the season with a 4-5 record and fourth place in the North Bay League I standings. Although inexperienced, the Panthers enjoyed a productive and worthwhile season in playing on an inspired team.

The varsity opened the season against the Analy Tigers at Bailey Field. The Panthers romped to a 28-0 win under the quarterbacking of Gary Cook who threw for two touchdowns and ran the ball over for a third. Unfortunately this win cost Santa Rosa the services of Rick Call, a speedy junior back, who was injured on the first offensive play and was lost for the entire season.

The Orange and Black next traveled to Kezar Stadium in San Francisco to meet Riordan. Playing against one of the tougher prep schools of the bay area, the varsity suffered a 26-7 loss.

The following week Sowash's eleven played host to Skyline from Oakland. With Cook passing for 234 yards and two touchdowns, and sophomore Larry Steele running for 97 yards, the varsity scored a 20-13 win. Dennis Morgan ran back a Skyline punt 55 yards for a touchdown.

In the next game the defensive team turned in an outstanding job as it turned back highly explosive Petaluma. The Panthers, led by linebacker Rich Silverek, notched a 7-6 victory over the tough Trojans. Larry Steele turned in a valuable defensive job by intercepting three passes.

The varsity eleven opened its league season against defending champ, Napa. The Panthers' tough defense brought a narrow one-point victory. The Panthers upsetting the In-

dians, 20-19. Larry Steele rambled for 181 yards and three touchdowns.

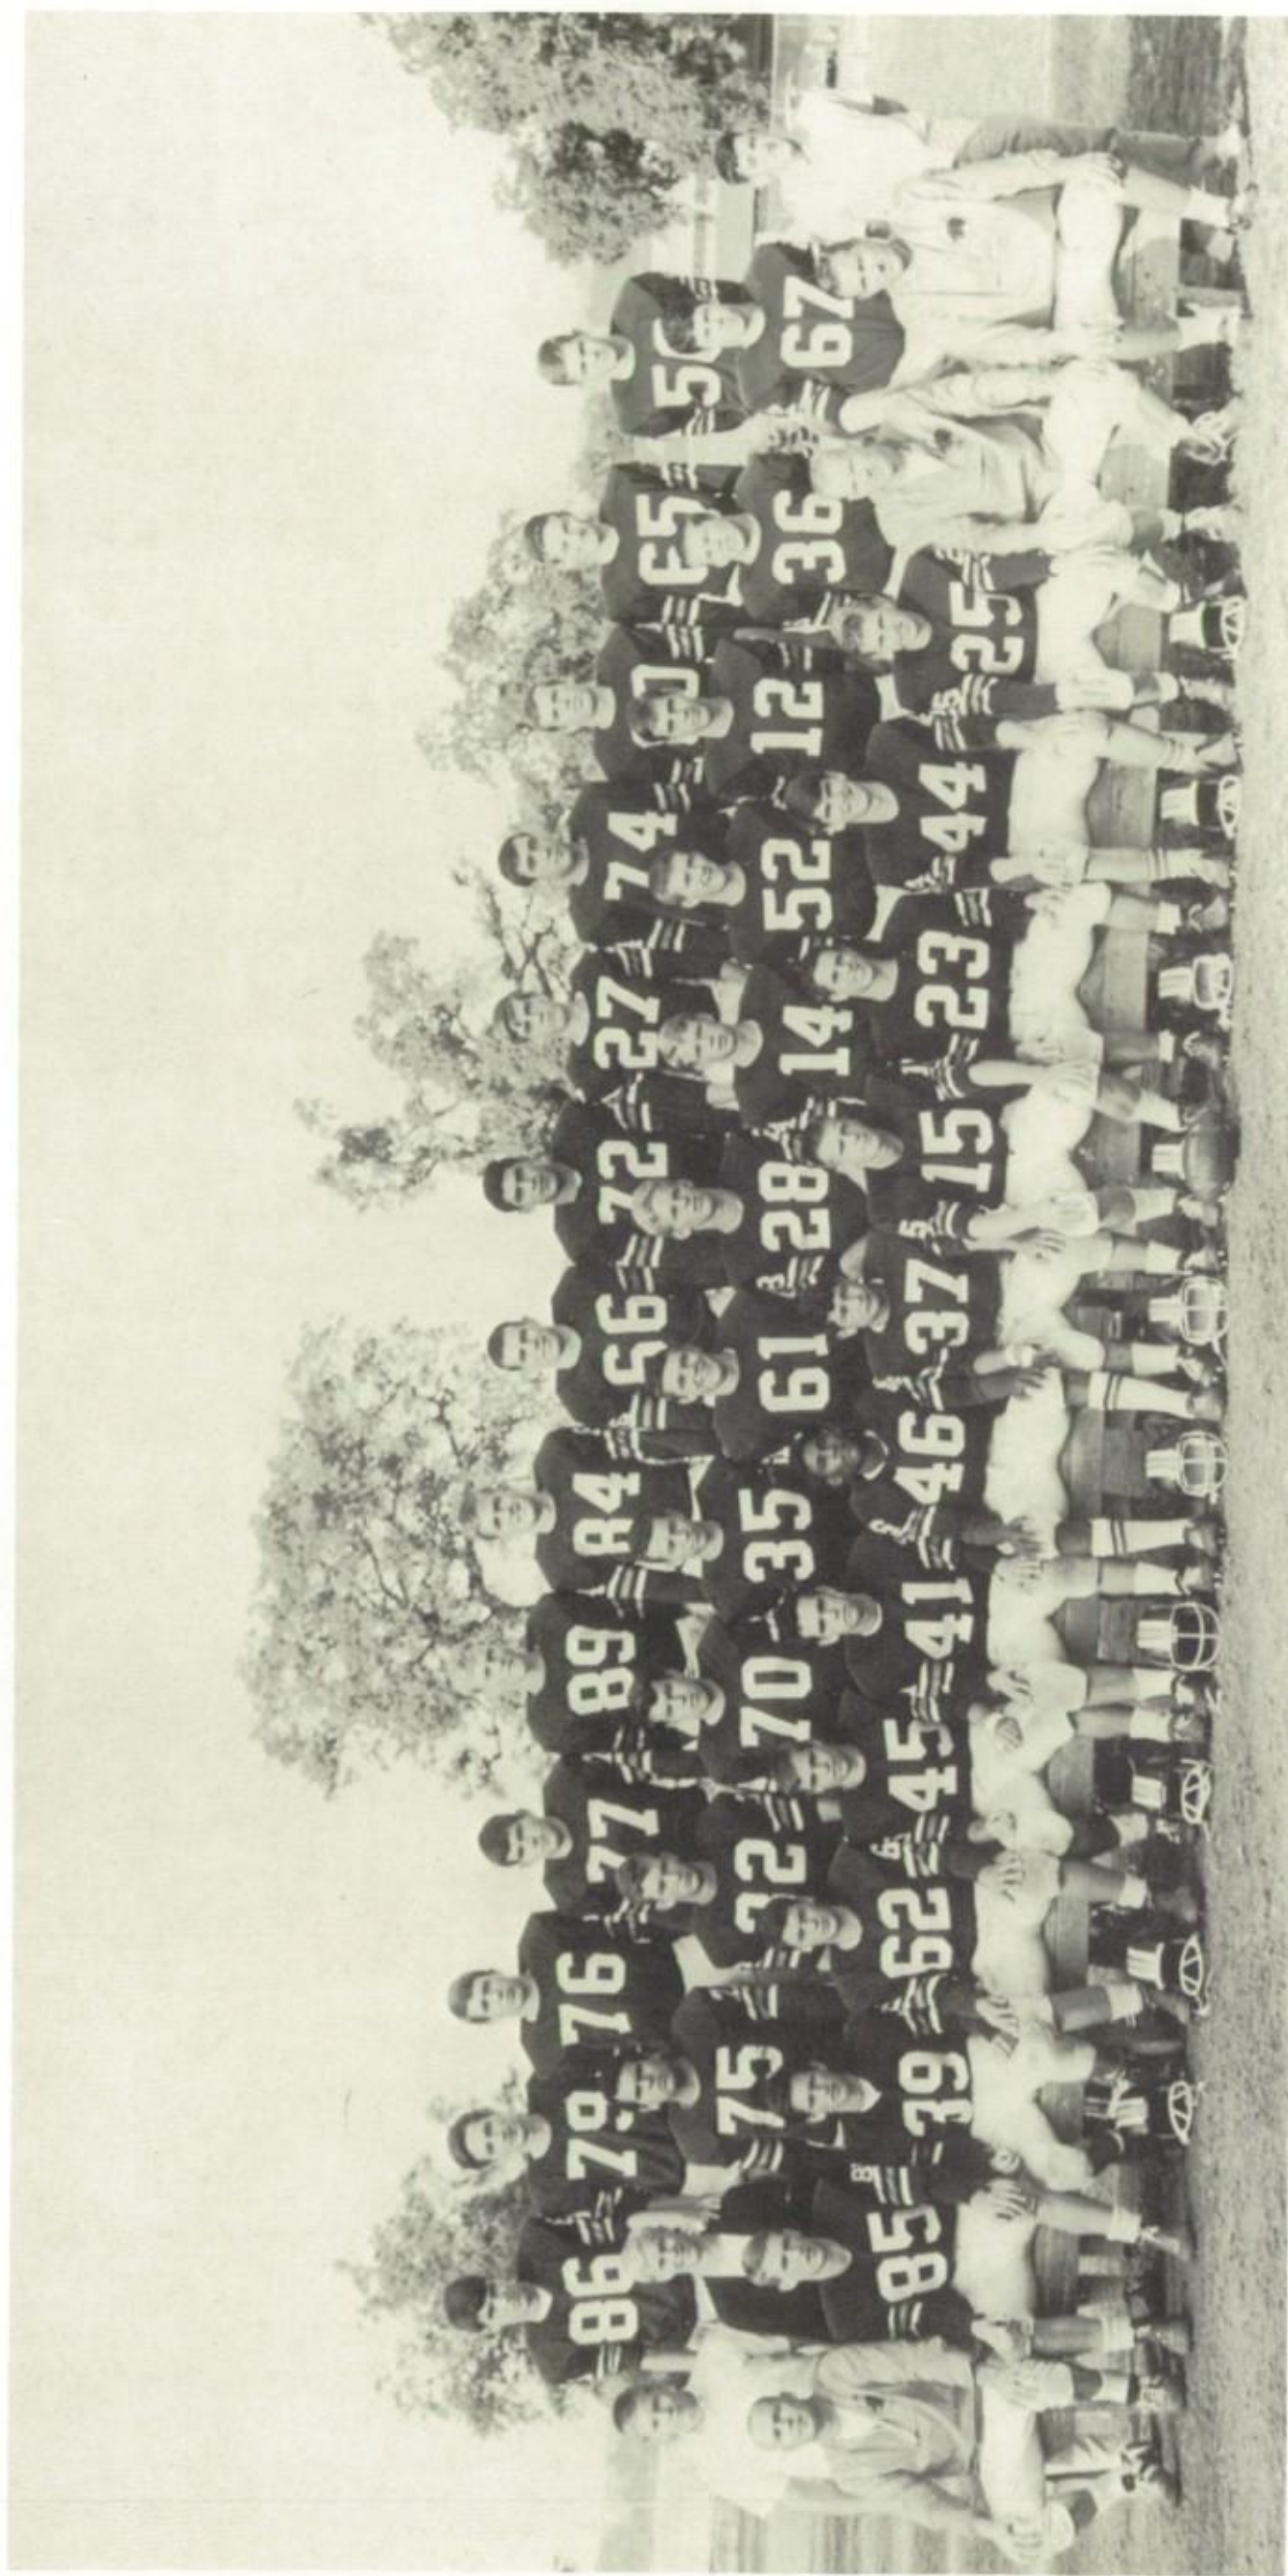

At home for the fourth week in a row, the varsity lost to the eventual league champions, the Vallejo Apaches. The undefeated Apaches were victorious by a 27-6 score.

The Panthers traveled to Hogan next to meet another undefeated team. The Spartans piled misery on sorrow as they handed the varsity its third straight loss. Although, fullback Rich Silverek was a sparkplug in the Panthers' ground game, Santa Rosa succumbed 33-0.

Next, the team moved on to Ukiah to find its bid for a second league victory fruitless. Playing a fired-up Wildcat team on its home field, the varsity fell short with seconds left to play. The Ukihs drove in for a score, and the Panthers lost 13-7.

The "Big Game" with Montgomery proved even more exciting, though the scheduled game for Saturday, November 13, was called off on account of thundershowers. On the following Wednesday the two rivals finally met on muddy Bailey Field. Having been held 0-0 in the first half, the Vikings ran back the opening kick-off of the second half for their first score. The breaks were against the Panthers the rest of the game as cross-town Montgomery emerged the victor, 19-0.

Rich Silverek and Harvey Hopkins were selected to the All-North Bay League Team, and Silverek was further honored when he received the Blanket Award as Santa Rosa's most valuable player. Dan Lightfoot and Rich Silverek were selected season captains.

Santa Rosa's Cross Country Squad opened the season with a 27-28 win over Montgomery, and followed this with four more wins and a single loss in league meets. After an 18-39 win over Ukiah, the Panthers dropped a meet to Hogan 43-15 and then took Sonoma 20-39. Santa Rosa continued with a win over Napa and then topped both Montgomery and Vallejo in a triangular meet. Both in North Bay League and Division III Finals the Panthers placed fourth. The Junior Varsity Squad placed third behind first place Napa in the N.B.L. Finals.

The Varsity Squad consisted of four men: Dave Hamilton, Dave Hunt, and Karl Schneck, all seniors, and Tim Tate, a sophomore. Dave Hamilton did especially well, being first man on the squad this year.

The Junior Varsity Squad was made up of Mike Stillman, a senior, Gary Pellegrini, a junior, and two sophomores, Orin Stillman and Steve Hart. Coach Ken Goetzel trained both squads.

PANTHER VARSITY WINS NORTH BAY LEAGUE CHAMPIONSHIP

According to the "experts," this wasn't supposed to be Santa Rosa's year to win the N.B.L. I Basketball Championship, but there aren't many who would bet against the Panthers in 1966-67.

Despite the inexperience of our varsity quintet this year they proved that this was truly the "Year of the Panther." They opened the 1965-66 season with a loss to Lowell High School. Easily defeated Healdsburg 81-58, and followed with wins over Gridley 73-48, and Gilroy 56-49. Following a win over San Rafael 48-43, the Orange and Black cagers defeated Healdsburg and Petaluma in the Redwood Empire Invitational Tournament. In the Championship game the Panthers were defeated by Sonoma 59-45. The next five games brought defeats to the Vine coached quintet, but the Panthers rebounded with a 60-45 victory over Galileo.

In their first league encounter the Santa Rosa Panthers toppled the "teepee" at Napa 54-46. The Ukiah Wildcats were clawed 74-59, and defending champion Vallejo bit the dust 57-52. Hogan became the Panthers fourth league victim as the Spartans were no match for the Vinemen. Next, the Montgomery Vikings hesitantly invaded the Panther lair and were literally swept out of the gym by a powerful Panther five.

The second round of league play brought four straight Panther victories. Napa, Ukiah, Vallejo, and Hogan all suffered a second defeat by the Orange and Black cagers. In the final game of the season, the Montgomery Vikings were able to withstand a fourth quarter scoring spree to hand the Panthers their first league defeat of the season 60-41.

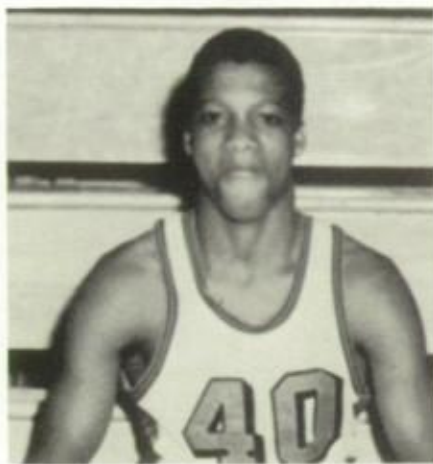

In the playoff game for the right to represent the North Bay League in the Tournament of Champions, the Panther five was defeated by Sonoma 51-45.

Duane Johnson, who hooped 367 points this season in 23 games for a 15.5 average will be back for his senior year. Stellar guards Rick Call, Kent McNair, and Dennis McGill all juniors will give plenty of outside experience for 1966-67. Bill Kennish and Alan Van Velzen outstanding forwards during the 1965-66 campaign will be returning to give board strength to the Vinemen. Outstanding sophomore, Heschel Berry also returns for the Panthers on 1966.

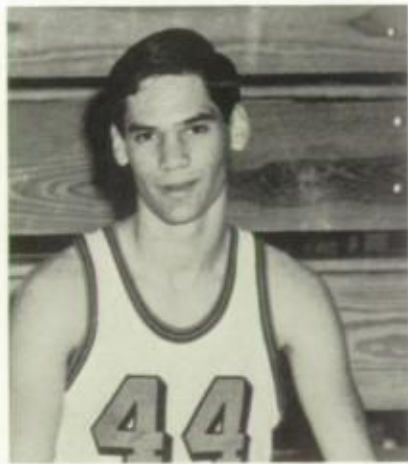

Duane Johnson and Alan Van Velzen were named to the first team North Bay League I. Bill Kennish received honorable mention.

Coach George Vine is confident that next year's squad can jell into a truly great Santa Rosa Panther quintet, and now having the experience they need can give Santa Rosa High School more honors in the "round ball" sport.

SANTA ROSA HIGH SCHOOL "B" BASKETBALL SCORES

Santa Rosa's 1965-66 Panther Cubs finished an outstanding season as Co-Champions of N.B.L. I basketball. The "B's" won fourteen games and lost six during the season, with a 7-3 league record.

Dennis McCarty and Greg Rixon led the Cub's scoring this year. Dennis found the hoop for 295 points, an average of 14.8 points per game, and second place in total points for the N.B.L. Greg finished with 148 points, and a 7.4 game average.

Sophomore Dennis McCarty was also honored by being selected to the first team North Bay League. Steve Albini, a fine sophomore rebounder, made the second team all league five.

The Santa Rosa Wrestling Squad finished third in the North Bay League this year. During the season the Panther grapplers won six wrestling matches and lost two. Outside of league matches, the wrestlers won six and lost seven.

In the North Bay League Finals Bob Olson and Dennis Bruno placed first, Harvey Hopkins and Ben Dayoan second, Bill Haluzak third, and Bill Blaylock fourth. In the North Coast Finals, Harvey Hopkins took a third.

Panthers Seek NBL Title

Coach Ruben Beseda is hopeful that the Panthers can bring home their first N.B.L. championship in baseball in years.

Six returning veterans and good material from last year's junior varsity squad should give the Panthers a chance to win the league championship.

During the practice season the Orange and Black nine suffered four straight defeats before they found the range and pounded out a 13-0 win over Anal.

Easter vacation found the Panthers in the Healdsburg Tournament, and the Beseda nine continued their winning ways defeating Healdsburg 4-3, and Hogan 5-2. In the championship game the Sonoma Dragons squeaked by the Panthers 6-5 in eleven innings. Four Panthers were placed on the All-Tourney Team: Jim McMurtrie, Don McCarty, Gary Tatum, and Wayne Stephens.

The 1966 varsity was composed of: Catcher, Jim McMurtrie; First Base, Don McCarty; Second Base, Mike Haskins; Shortstop, Larry Steele; Third Base, John Marchetti; Outfielders, Pete Van Dyk, Jim Dunbar, and Duane Johnson. The pitchers were: Gary Tatum, Wayne Stephens, Steve Albini, and Duane Johnson.

Junior Varsity Goes for Big Wins

The Panther Junior Varsity opened the season losing to Analy 7-0 and to Redwood 2-1. But Coach Sid DeSalle's Cubs roared back to take a double-header from St. Ignatius 6-3 and 8-6. Analy suffered defeat 6-2 as the Panthers got revenge for the earlier defeat. Drake was defeated 3-2, but the Cubs were upset by the Novato Hornets 3-1. Cardinal Newman and El Molino both fell and the Junior Varsity was

supporting a fine 6-3 early season record.

The Junior Varsity team included: First Base, John Stimson; Second Base, Rich Peters; Third Base, Gary Taylor; Shortstop, Dennis Bruno; Outfielders, Floyd De Laughter, Walt Ryan, Don Cox, and Lee Gong; Catcher, Dave Cispuschi. The fine pitching staff included: Dan Stephens, Dennis McCarty, and Steve Albini.

Varsity Tennis

TOP ROW: Dennis Fife, David Thawley, Scott Lucchessi, Mr. Moore, Coach; Gary Pellegrini, Gary Rovetti, Mike Kofahl. BOTTOM ROW: Conrad Wong, Gary Sugiyama, Milt Gee, Greg Bush.

Many new faces greeted Coach Harold Moore as he readied the Santa Rosa High tennis team for the 1966 season. The racqueteers opened against highly talented Tamalpais and were defeated 7-1. Improving rapidly, the squad disposed of Healdsburg twice, and Cardinal Newman twice before suffering a defeat at the hands of Petaluma. The defending North Bay League champion Panthers will be hard pushed to repeat their 1965 performance.

Some of the outstanding players on this year's team were: Greg Huntington, Scott Lucchessi, and Gary Rovetti, all seniors; and Gary Pellegrini, Milton Gee, and Conrad Wong, all juniors.

Varsity Seek NBL Title

The Santa Rosa High School varsity tracksters opened the season in convincing fashion, defeating Novato, Redwood, Ukiah, and Terra Linda in their first four meets.

With good balance in the distances, sprints, and field events the Ken-Goetzel-coached team should finish second or third in the rough North Bay League Championships.

Outstanding members of the varsity squad are Bruce Ballard in the 440 yard dash, Rick Call in the 100 yard dash, and Dennis Morgan in the 100 yard dash. These three boys are also outstanding in the 220 and the 880 yard relay. Rich Silverek dominates the field events, and Tim Tate is a strong competitor in the 880.

Championship Hopefuls

The mighty "B" trackmen are undefeated as this yearbook is put to bed. They have defeated Novato, Redwood, Ukiah, Terra Linda, Vallejo, Napa, and Tamalpais. Coach Goetzel said, "This B squad has a very good chance of winning the league championship." He further stated, "Hogan is the squad that will give the strongest competition to the Panther Cubs."

Leading performers for the "B" Squad are Jack Berndt in the low hurdles, 100 yard dash, and the relay; Charles Keturakat in the 220 yard dash, 440, and the relay; and Greg Rixon in the hurdles and the broad jump.

"C" Track

TOP ROW, left to right: Scott Rudell, Phil Nelson, John Goodrow.
ROW 2: Al Whitright, Larry Simpson. BOTTOM ROW: Larry Olenburger.

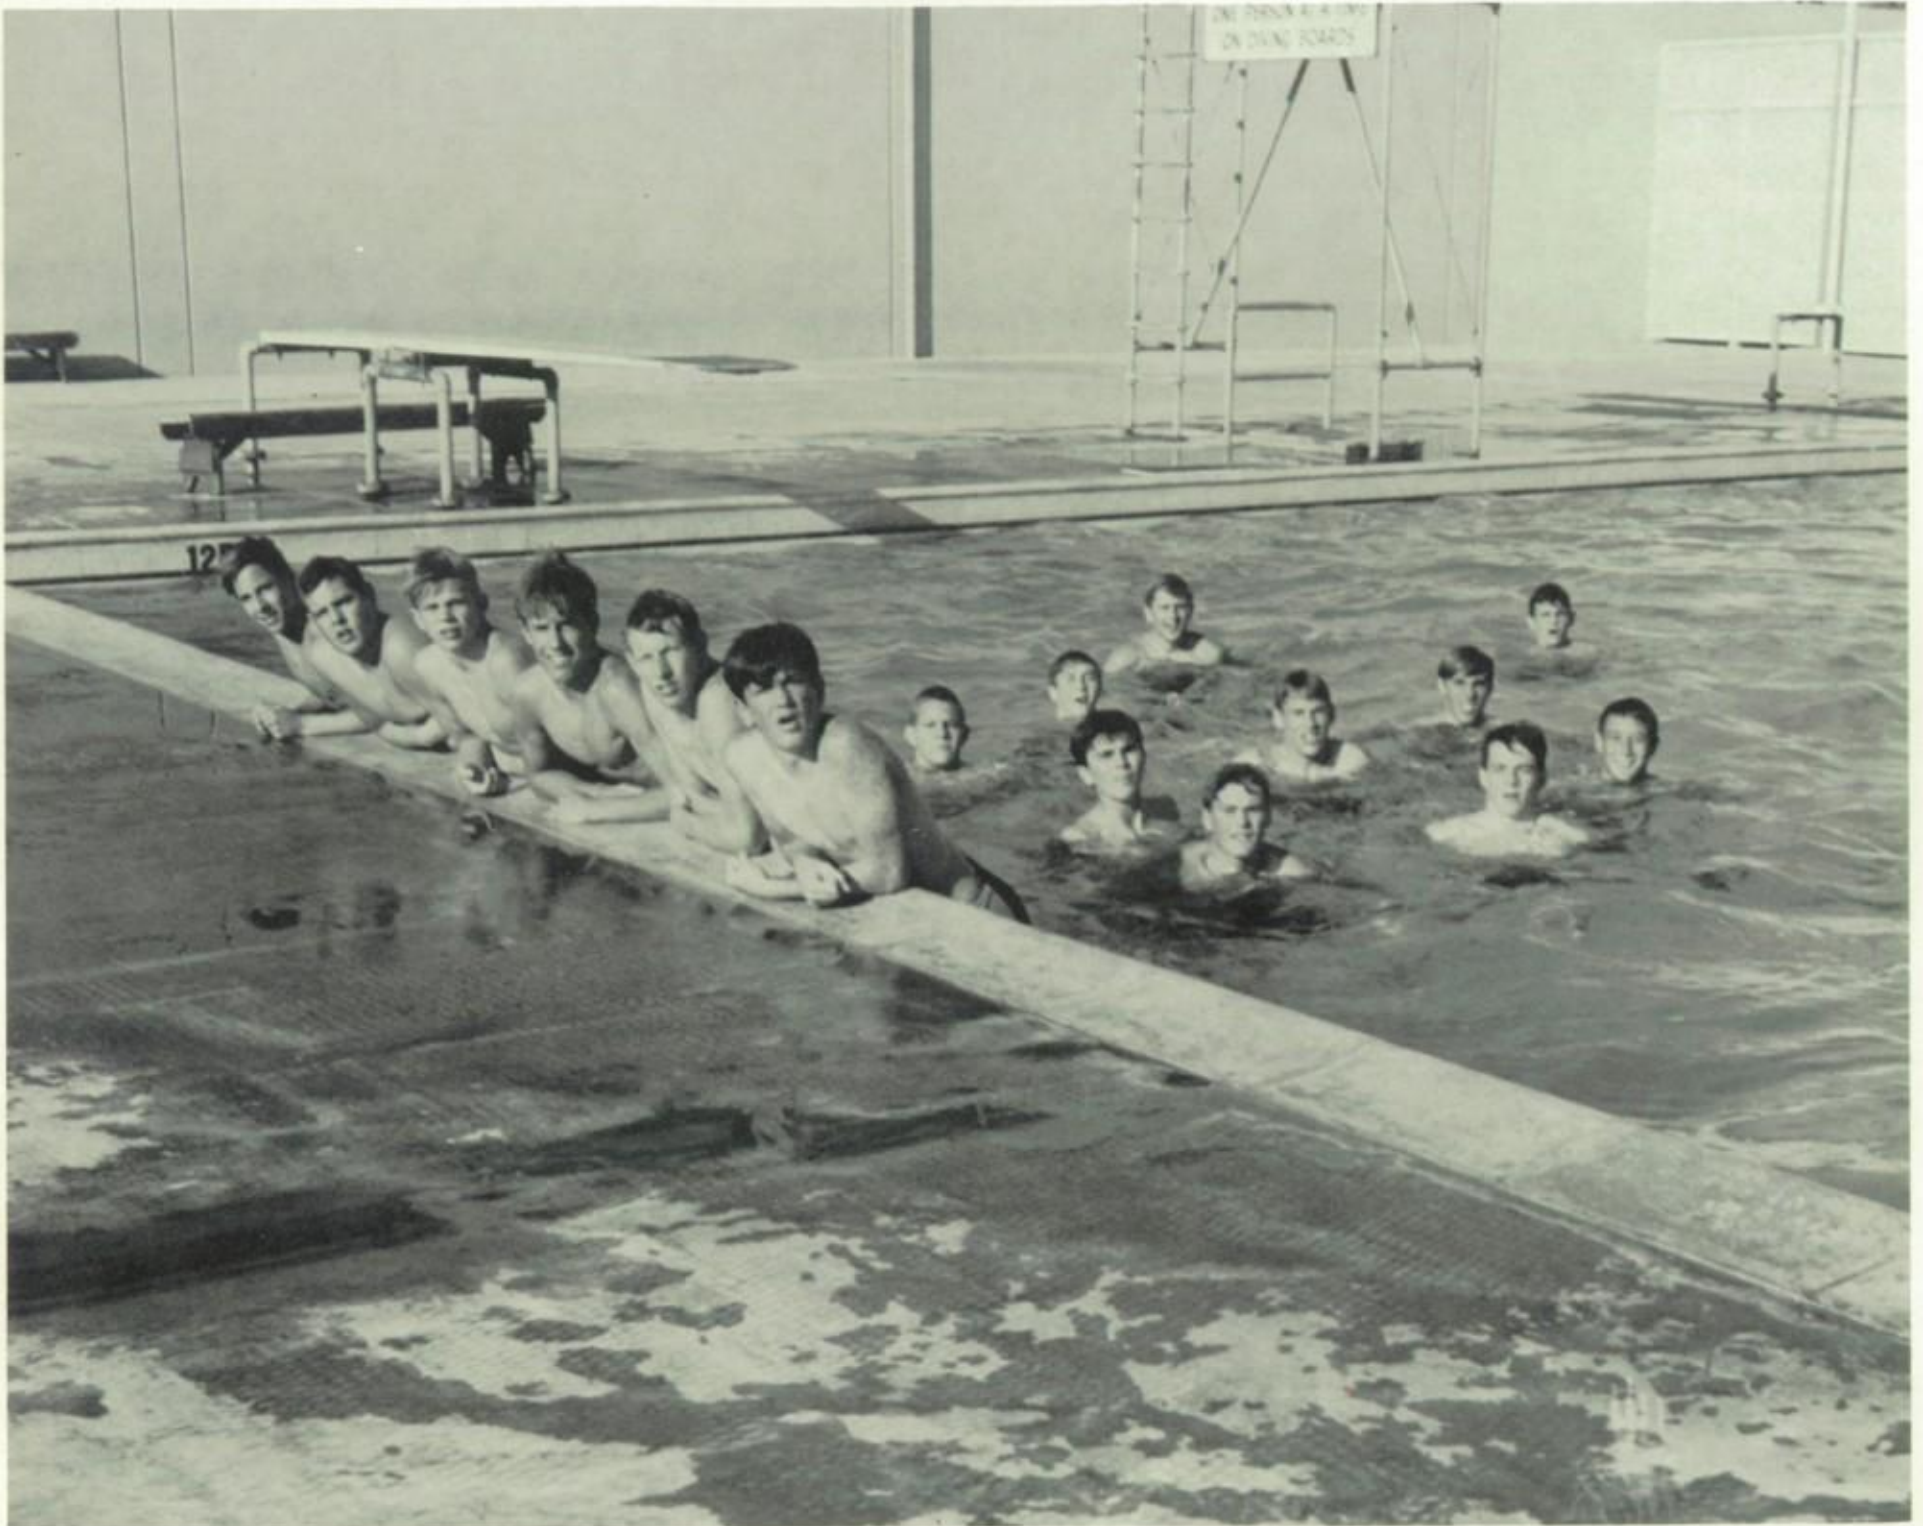

"C" Trackmen Expect Successful Season

The "C" trackmen opened their 1966 season with straight wins over Novato, Redwood, Ukiah, and Terra Linda. However, lack of personnel during the league season hampered the Orange and Black as they sought the league crown.

The outstanding member of this year's six man squad is John Goodrow in the 660.

Mike Stiffler, Ron Cantrell, Don Allen, Gary Davidage, Dave Smith, Mark Arata, Rod Wallstrum, Ron Kincaid, Bob Loscotoff.

Twenty-five boys enjoyed the aquatic sport of Water Polo during the first semester. It is hoped that Water Polo will catch on as an interscholastic sport in the North Bay League. Petaluma, Napa, and Vallejo have indicated that they would be interested in fielding a Water Polo team during 1966-67.

Tankmen Eye North Bay League Championship

For the past six seasons of varsity swimming competition cross-town rival Montgomery has been the top team in the North Bay League, but this year's Panther tankmen are hoping to overthrow Montgomery and take over top spot in the North Bay League standings. Coach Elmer Brown seems optimistic when evaluating his team this year, and believes it has a strong chance of winning the championship. His team has considerable depth in all events except the backstroke, which should give it an enviable position in league standings.

This year's mermen were hosts to thirteen teams and visitors to ten for a total of twenty-three meets for the season. League meets included those with Vallejo, Hogan, Napa, Petaluma, and Montgomery. Among the larger meets which the Panthers played host to were the Bay Area Relays in which Santa Rosa tied for fourth place out of twenty-five competing teams, and a meet with Lindsay when the guests were put up and entertained by the team members for two days. The largest meet, however, was the North Coast Section Meet held at the Swim Center.

Closing out outstanding seasonal and high school swimming careers were Tom Lindquist, Hugh Seaton, Bill Horn, Tim Caulfield, Norman Kunz, Pete Blachley, and Gerald Berndt. Among the juniors, Marc Anderson, Jim Conrad, Mike Peters, Mark Todd, and Bob Loscotoff contributed many winning points. The outstanding sophomore scorer who was of real value to the varsity team was Kit Anderson. The Anderson brothers along with Jim Conrad should be the backbone of next year's swim team.

"B" SWIMMING

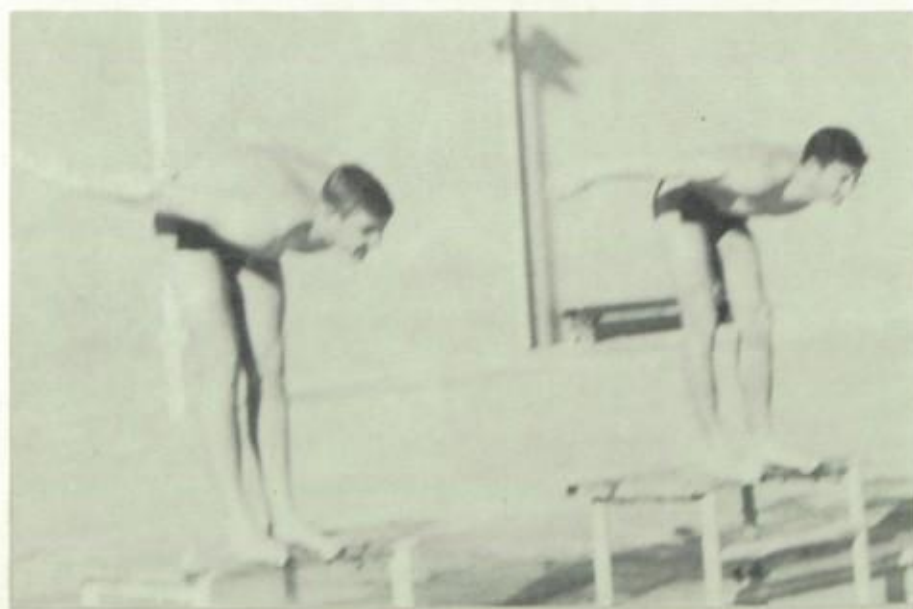

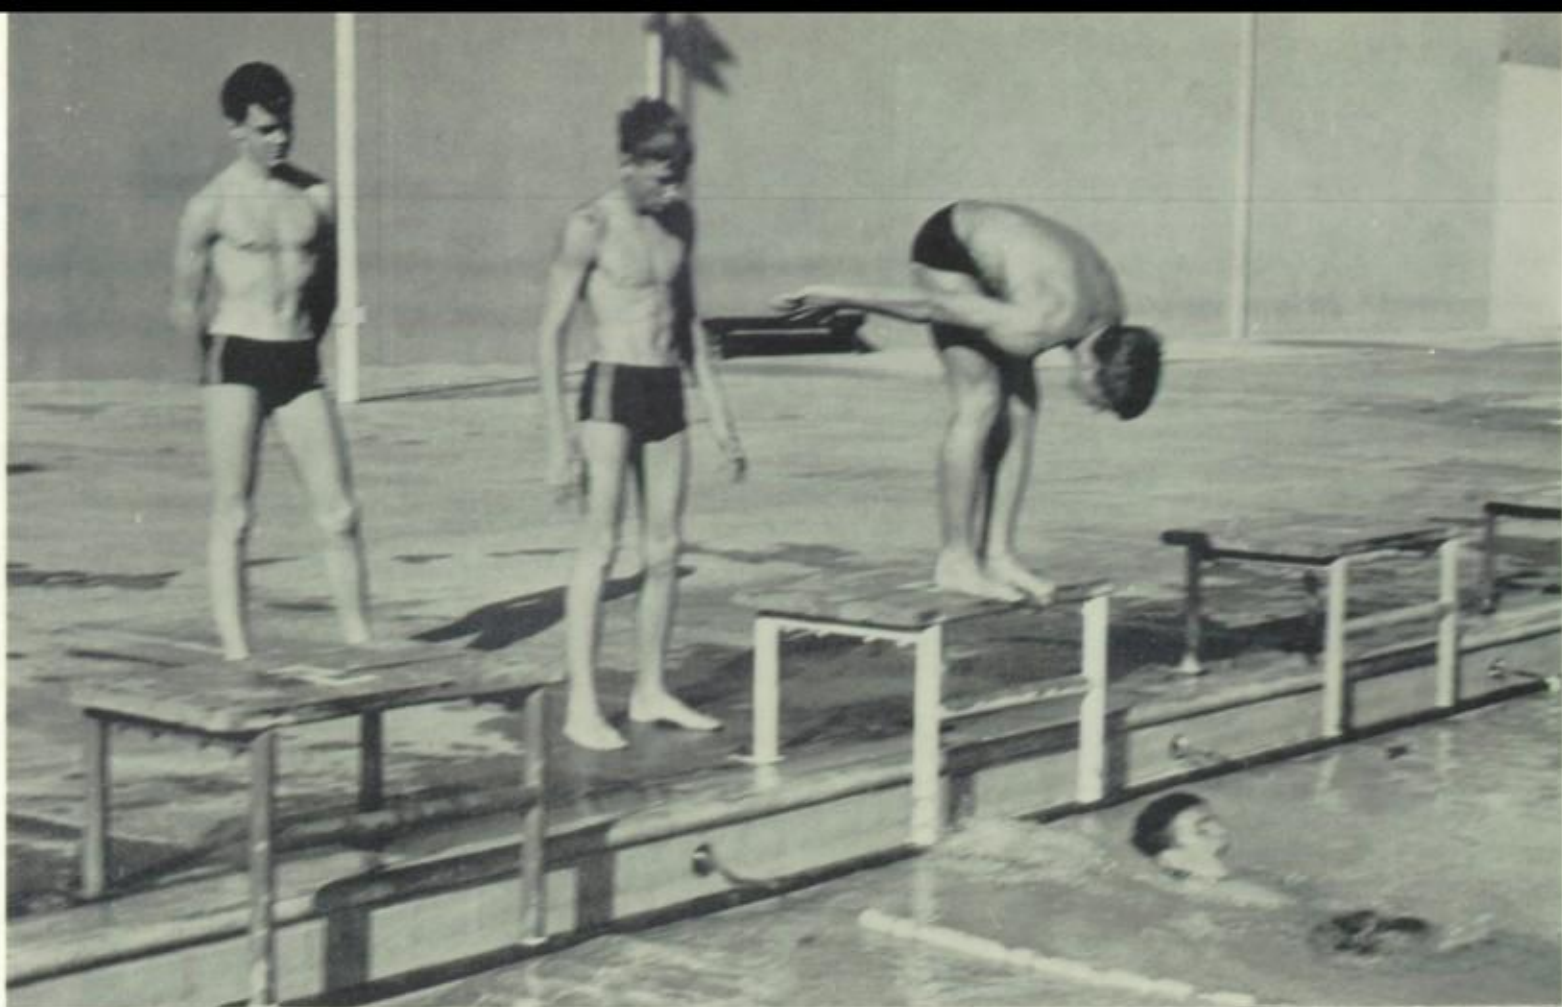

TOP ROW: Charles Collier, Mark Peabody, David Rock, John Burton, Ron Kincaid, Kevin McDaniel. ROW 2: Charley Thomsen, Greg Davidage, Dan Gleason, Bill Noel,

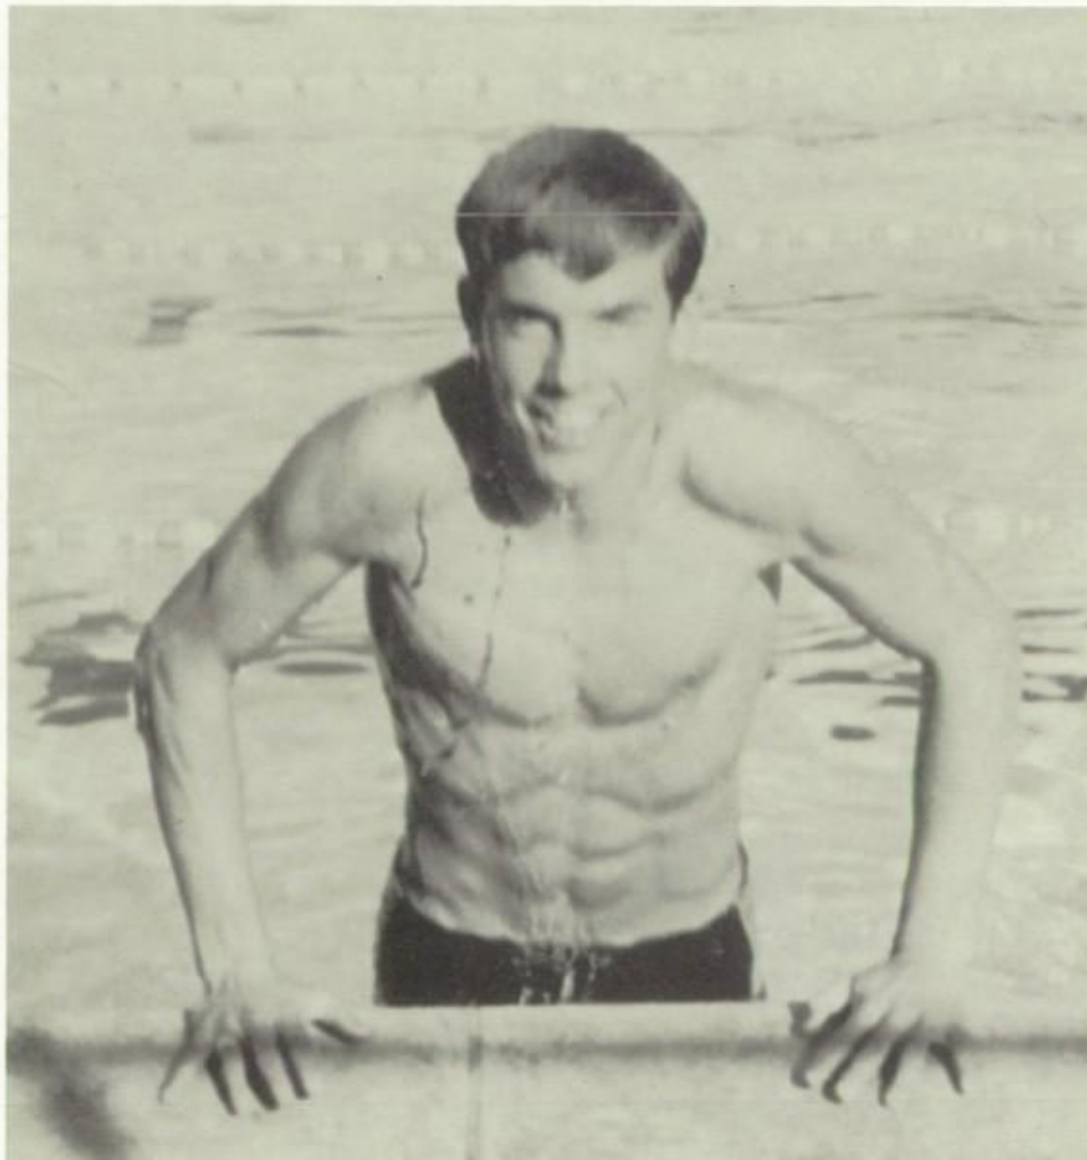

Tom Tatum. ROW 3: Chris Cann, Ron Cantrell, Mark Arata, Russ Thornton.

Over the past seven seasons the "B" Class mermen have sought and won the North Bay League "B" Class championship. Although not as well balanced as in the past years, the B's have a good chance of taking their 8th championship this year.

Ron Kincaid, Charley Thomsen, Charles Collier, Ron Cantrell, John Burton, Louis Pelleriti, Mark Arata, Kevin McDaniel, and Greg Davidage have been instrumental in raising the chances for an 8th league championship.

This year's "B" team, all underclassmen, will form a strong building block for next year's Class "B" team.

The 1966 diving team has proven itself one of the best in the North Bay League by taking first place against twenty-five teams in the Bay Area Relays.

Consistent point getters and fine divers throughout their high school diving careers are Norman Kunz, Pete Blachley, Louis Pelleriti, and John Kofahl.

Lack of experience will hamper the Panther golf squad as it enters the tough North Bay League this season. Experienced Napa, Vallejo, and Ukiah should fight it out for the cup in 1966. Coach George Vine feels that Santa Rosa is in a building year, and that the juniors and sophomores on the squad need more seasoning. The golf team suffered early season losses to Vallejo, Napa, and Redwood, but gained an important win in the win column by defeating Hogan, 9-6.

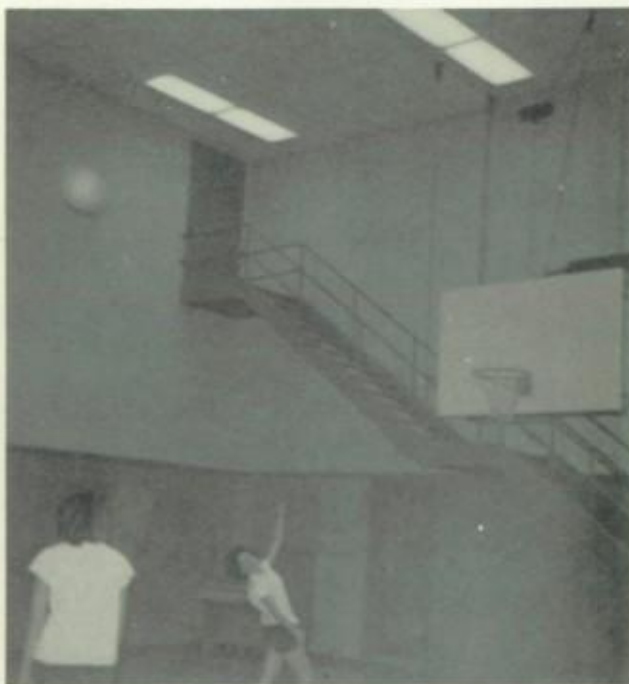

Leading golfers for Santa Rosa during the 1966 season were Rick Greene and Jack Leiser.
